NEWTONIAN

1965

Newton Township Local School

Volume XIII

Foreword

As our senior year draws to a close, we look back on many fond memories. As you browse through your yearbook, we hope the contents will reveal many of your cherished moments at Newton High School.

In a short time this Newtonian will lose its immediate appeal, for in the passing of years our memories of the good and bad times at Newton will fade into oblivion. Remembrance is your yearbook's purpose. The Newtonian serves this well.

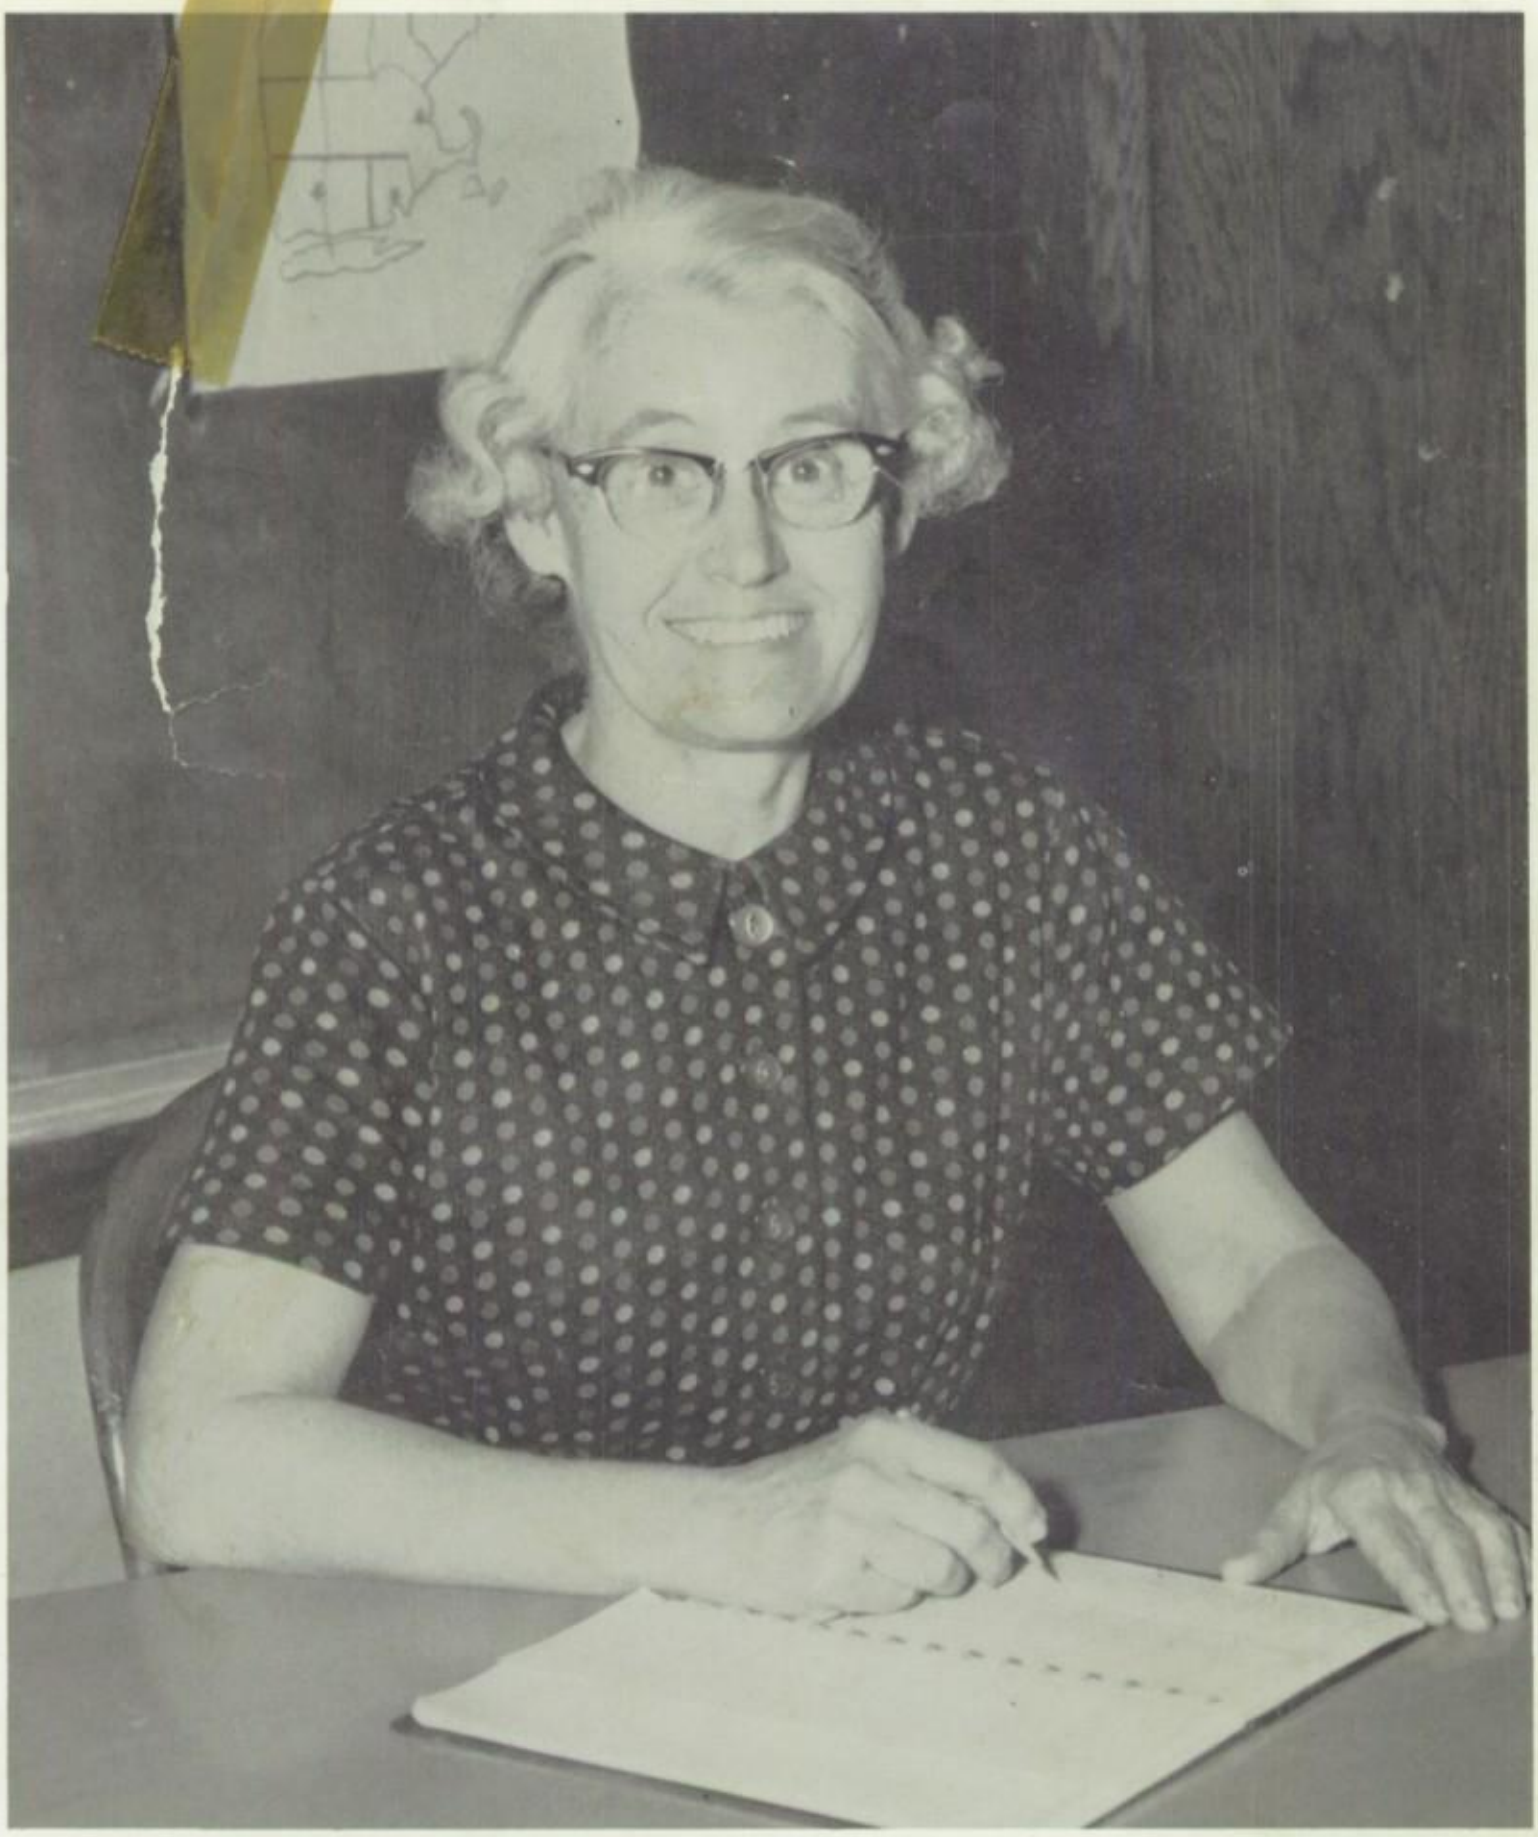
We Dedicate to You . . .



MISS ELSA KORTSCH

We, the seniors of 1965, have reached the point where we may stop for a moment and recall the many acquaintances who were so helpful in our long, 12-year journey through school.

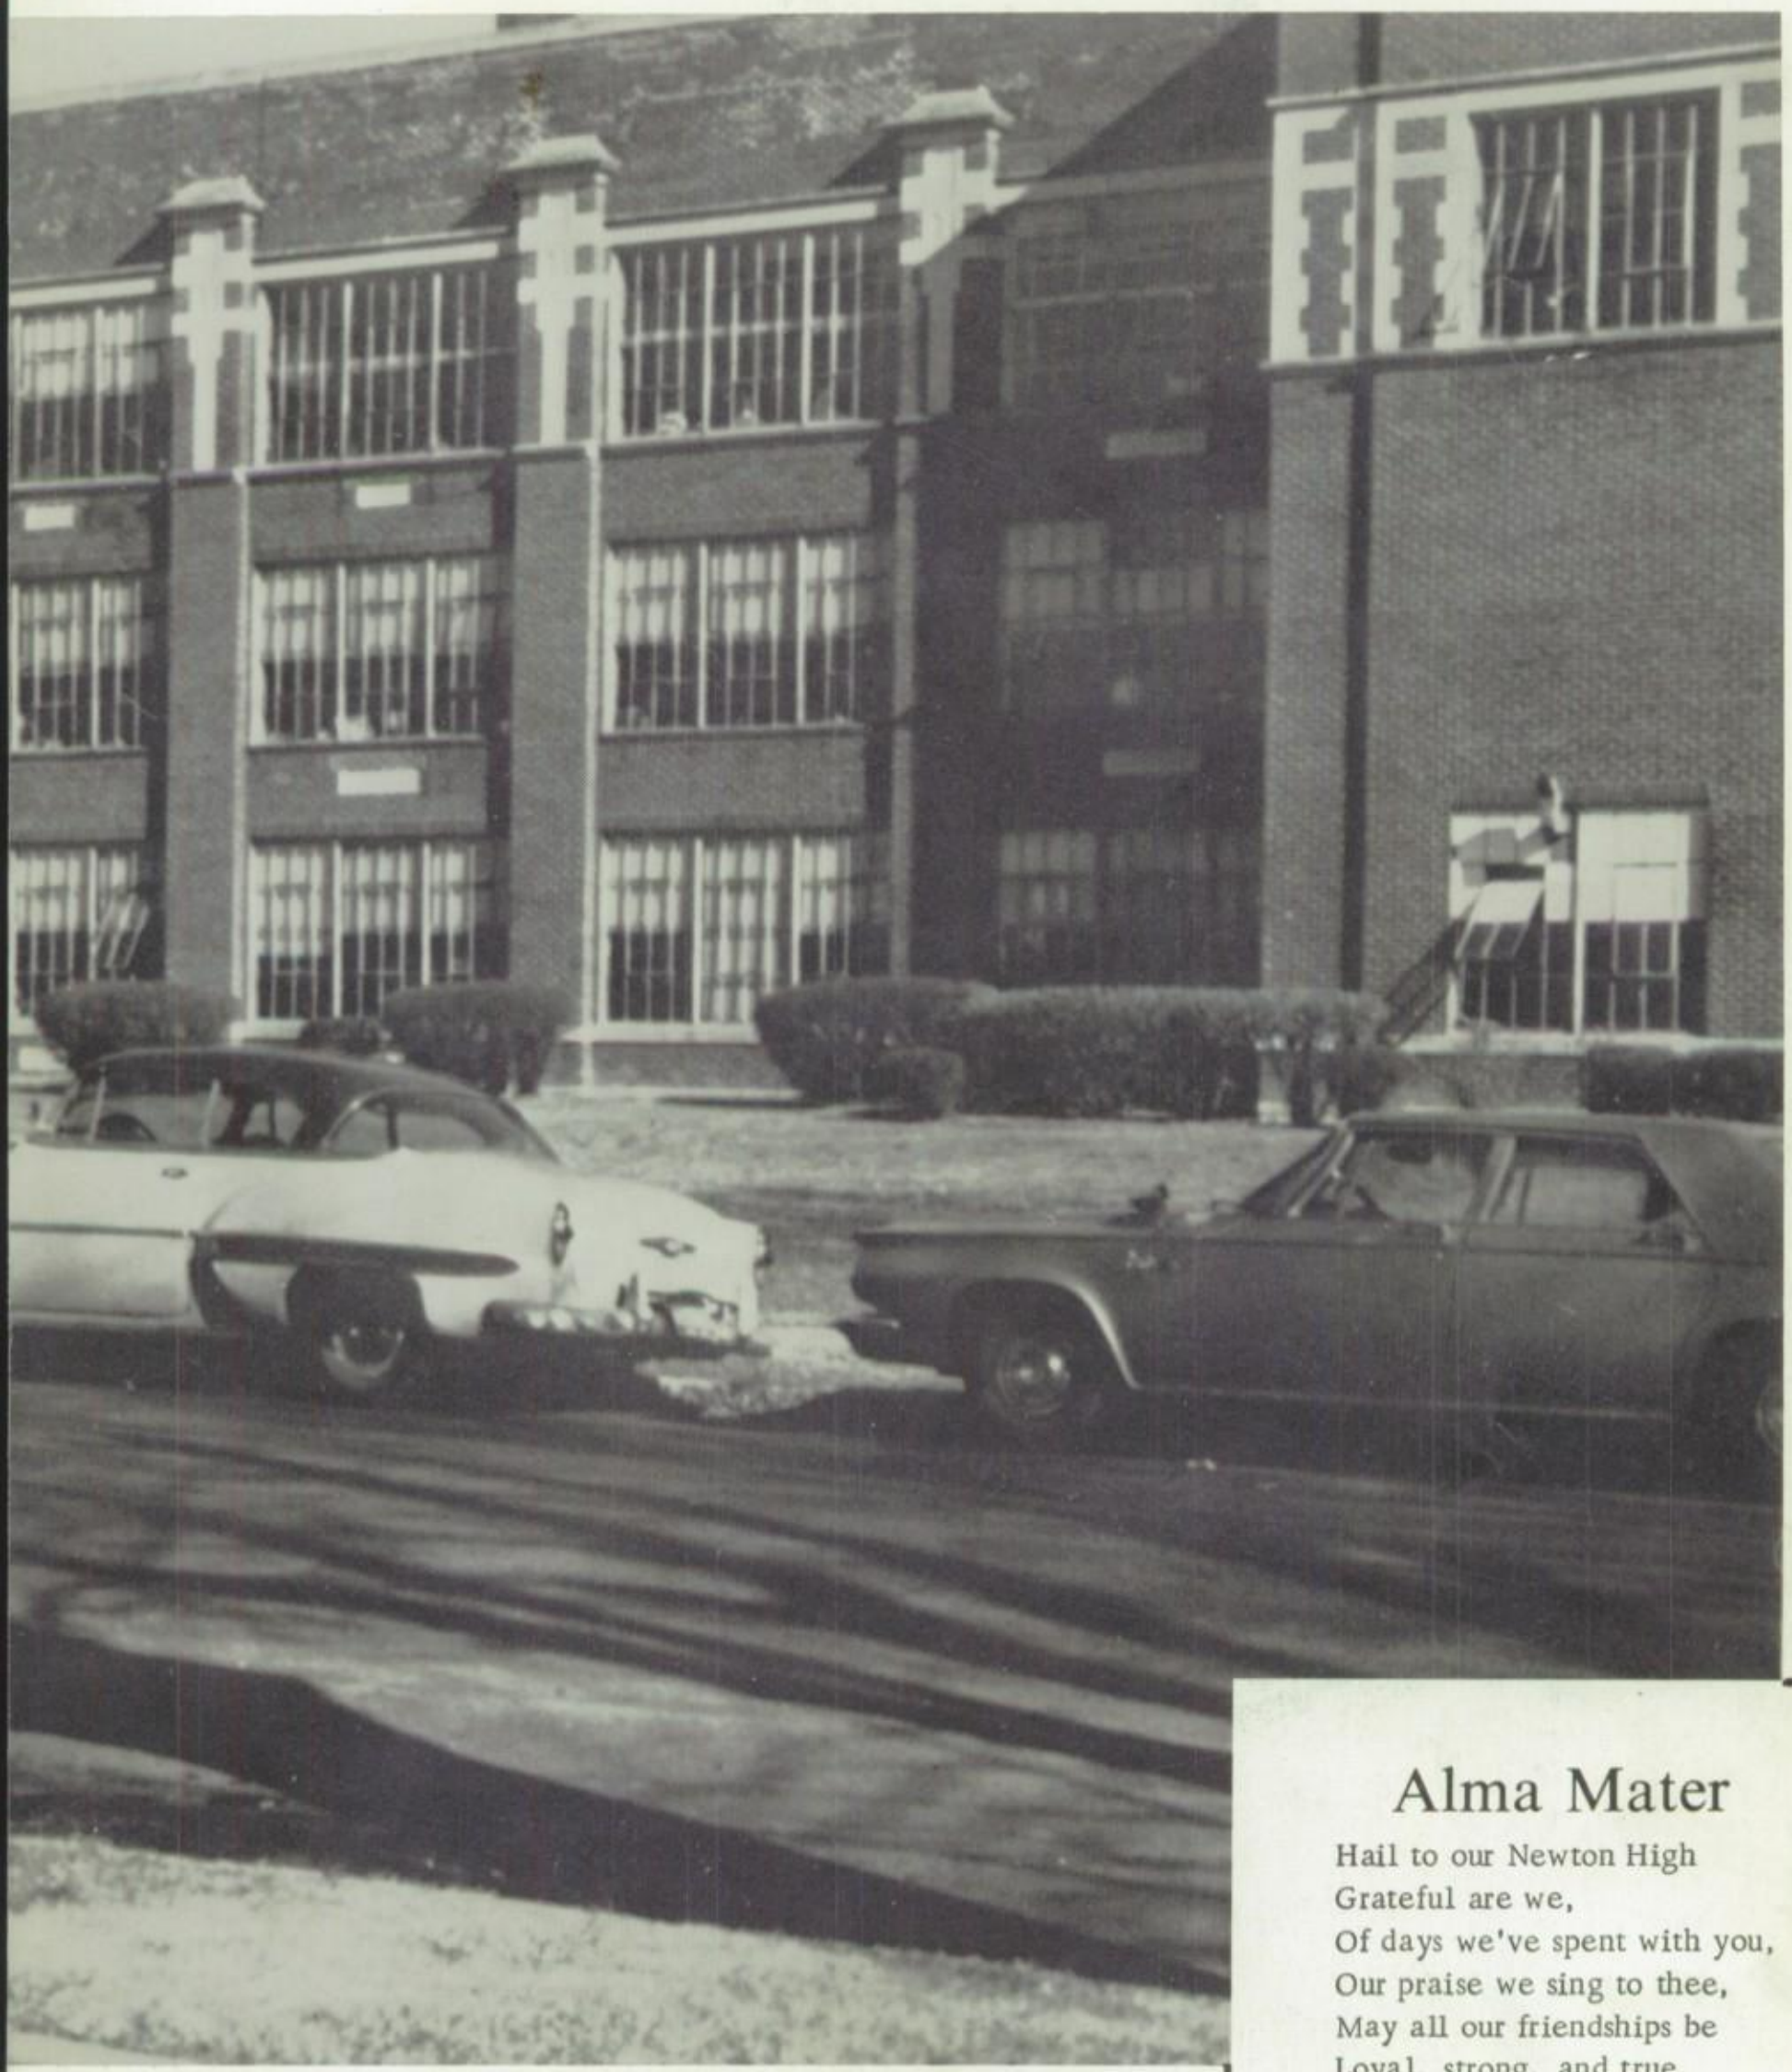
There is one person especially who stands out among the rest; not only for her service to us, but also for her service to the entire school.

Miss Kortsch has taught the fifth grade at Newton for the last 35 years. Her record is one which speaks for itself. It is a record of unfaltering determination and unparalleled service to her community.

It is with pride that we dedicate our 1965 yearbook to you, Miss Kortsch.

The Senior Class of 1965

Your School . . .



Alma Mater

Hail to our Newton High
Grateful are we,
Of days we've spent with you,
Our praise we sing to thee,
May all our friendships be
Loyal, strong, and true
Raise high the red and white
We're proud of you.

Your Fun

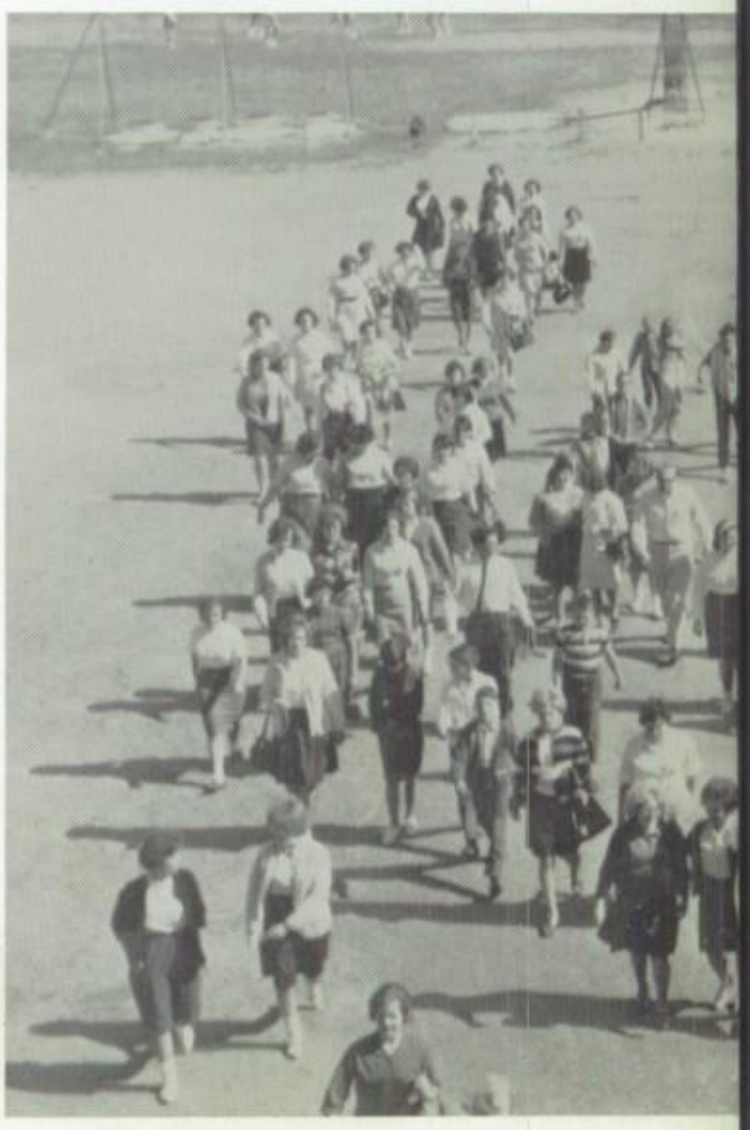
"I said don't call me Hack!"

Mrs. Massey conducting the Girls' Glee Club.

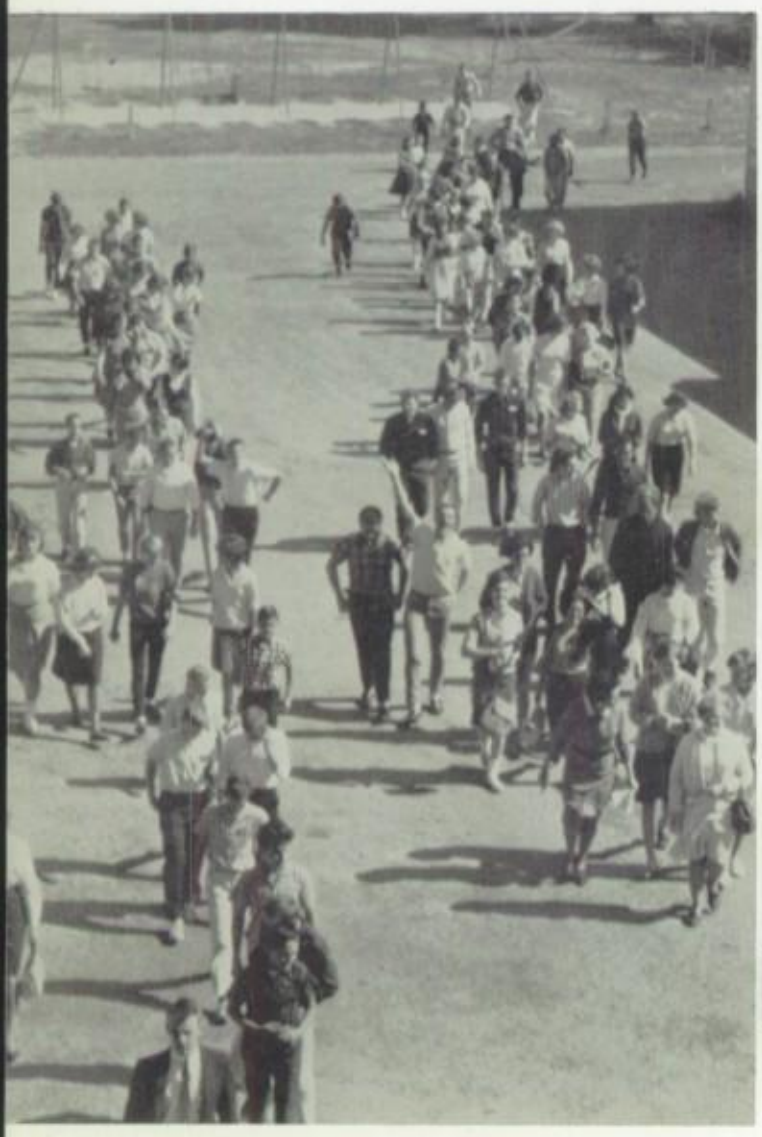
With the opening of Newton School in the fall comes many exciting and interesting happenings. They are all centered around YOU as a student at NHS. Basketball games, pep rallies, dances, debate teams, Christmas cantatas, music contests, proms, graduation are just a few.

All of these activities combine to make an interesting and very busy school year.

"Why does it always take longer to come back from a fire drill than to evacuate?"



"To open my mouth or not to open my mouth, that is the question."



"I think I just swallowed my false teeth!"

"I pushed you first yesterday!"

"I'm eating
Mr. Kuhn's piece?"

Your

"Tah Rah Rah Boom Ti A!"

"Whose side are we on this quarter?"

Experiences . . .

"Well, there goes the last of the school books!"

To all of us this year has been a lot of hard work and a lot of hard-earned fun; but with hard work comes the satisfaction of knowing you've done something well.

There stands in the high school supply room a large stack of previous years' "Newtonians" As I looked through these books of many years I wondered to myself, "How did all of these people whose pictures are within make out in life." The age of time moves by very fast and in the years to come, it is my sincere hope that the seniors of our 1965 Newtonian will have met life's challenges with success.

The staff of the Newtonian including their advisor, Mrs. Mitchell, should be congratulated on compiling such a fine account of Newton Local School.

Student

The purpose of the Student Council is to promote democracy and unity among the students of Newton and to initiate measures for the welfare of the student body.

The membership of the council is composed of the president and representative from each class and the presidents of school organizations.

The Student Council conducts all formal assemblies and escorts student groups to and from their assigned seating areas.

They assist in the control of fire drills, Civil Defense, and other emergency activities.

The council conducts locker inspections to see that they are in order.

The biggest event sponsored by the Student Council this year was a Hootenanny. Several area schools were invited to participate. It proved to be a big success.

At the end of each school year the council conducts class elections. This year's committees were appointed to compose platforms for each party. These platforms were then presented to each class and the students joined the party they felt had the best platform.

The Student Council officers lead their organization. Connie Noll, Reporter; Bob Welbaum, Vice President; Steve Kyser, President; Connie Shiverdecker, Treasurer; Kathy Work, Secretary.

Council

The "Lively Ones" entertained at the Hootenanny.

The "Seventeens" from Covington was one of the visiting groups to perform.

The society conducts an assembly and inducts members of the sophomore, junior, or senior classes who meet the requirements.

The Honor Society receives roses after inducting new members.

The Annual Staff starts early in the summer publishing the "Newtonian." The school year is filled with busy staff members taking pictures and planning pages. The entire senior class is excused from school one day to sell ads to pay the expenses. The yearbook allows you to relive this year of fun and work through pictures.

These four individuals deserve our praise for a difficult job very well done. Tim Tilton, assistant editor, was responsible for all editorials and assisting the editor. Kathee Randall, head typist, made sure that all material was dummied and typed. Kathee missed many an assembly or pep rally to finish the paper. Mr. Smelser, the faculty advisor, made sure everything ran according to schedule and many times sacrificed a quiet evening at home to read copy. Kathy Work, SMOKE SIGNAL editor-in-chief, is easily the busiest senior. It is her responsibility to guarantee a newspaper to every family every other Friday. These four people along with the remainder of the staff have made this year's newspaper "best ever."

Varsity

After losing our first four games of the season, the varsity basketball team finally hit the win column by defeating Mississinawa in our first league game.

Then came the game with Bradford. Newton just about rewrote the record book by defeating the Railroaders 116-73. This broke an old DCL record which will be tough for anyone to match.

As the end of the season rallied around, the team entered tournament play with a 6-12 record, acquired in one of the toughest leagues in southwestern Ohio.

Another bright-spot of the season was the Fort Loramie game when Junior Messer, who was given honorable mention on the all-Ohio basketball team, reached the 1,000 point mark of his 3-year career.

Through determination and drive, the team managed to compile a 6-13 record for Mr. Reeves in his first year of coaching at Newton.

On January 22, Newton held its 18th annual homecoming ceremony at the half-time between the Newton-Arcanum basketball game.

After Miss Keller was crowned, the queen and her court watched the varsity basketball game from special seats in the bleachers. The night was marred by Newton's loss to Arcanum 84-68. The traditional dance after the game was held in the gym and was played for by the Johnny McCoy Dance Band.

It's all ove

The height of anticipation.

Holiday"

ıt the shoutin'.

"Of course it's just punch!"

As the young ladies and their escorts walked up the aisle and then back to the stage, the high school band played "Wonderland By Night." After the girls had become situated on the stage, Robert Welbaum, band vice-president, stepped to the microphone and turned the ceremonies over to the 1963-64 homecoming queen, Miss Shirley Kinnison.

The tension mounted and then broke as Miss Kinnison opened the envelope with the name of the queen inside and made the announcement, "The homecoming queen for 1964-65 is Miss Karen Keller."

Tender Is the Night

The 1965 prom was indeed a magnificent event. For the first time tradition was broken when the junior class received permission to present their prom at the Miami Shores Country Club instead of the gym.

The evening began with the Junior-Senior banquet in the cafeteria. The faculty and both classes enjoyed the delicious steak dinner served by the sophomores.

After arriving at the beautifully decorated country club in a police-escorted motorcade, the big evening began to happen. Couples danced to the music of Johnny McCoy's famous orchestra in the ballroom or on the terrace.

The evening was highlighted by the crowning of Miss Cecelia Gaines as prom queen. Miss Gaines was escorted by 1964 graduate, Larry Miller.

Promptly at 12:30 a.m. the motorcade moved to the Mayflower Theatre where the students and their dates enjoyed "Circus World."

The evening was concluded with a breakfast in the cafeteria.

The seniors wish to congratulate their undergraduates on the lovely prom they presented to them. "Tender Is the Night" will be remembered by many a senior in the years to come.

The ballroom of the Troy Country Club.

Most of the people attending the prom were seated in the dining room.

The Johnny McCoy dance orchestra, of which Newton's band director, Mr. Massey, is a member, provided musical entertainment for the evening.

A banquet preceding the dance was held by the Juniors in the cafeteria.

Jr.-Sr. Banquet

Toastmaster, Bob Welbaum, president of the junior class, welcomes everybody to the prom banquet.

Entertainment for the banquet was provided by the "Lively Ones."

Awaits You

To you, the eighth graders of Newton High School, we are truly indebted. Not only have you placed the first ten men on the victorious junior high basketball team, you were a definite contribution to the band and vocal music departments.

We truly hope that in your next four years of high school you will continue to work as hard as you have thus far. At times the going might be rough, but with a little determination and hard work, yours could truly be one of the great classes Newton has known.

To you; good luck.

The athletic-minded Jr. Hi of Newton finished their basketball season with an impressive 10-3 record in their first season of play in the DCL. Two of their three defeats were suffered at the hands of powerful, league-winning Arcanum. Mississinawa was the only other team to beat the Indians.

If this year is any indication of things to come, next year's reserve squad may have a very successful year. The 10-3 record which the team finished with was good enough to land them a second-place trophy behind Arcanum.

Mrs. Charles Massey served as class advisor.

The 1964-65 campaign parties were The People's Choice and The Hati Party.

The Freshmen had a very active year including a work day, car washes, and parties.

To you the graduating class of 1968 we say good luck. Your freshman year is only a sample of the years ahead. Each year will become busier and more complicated. Follow things through as you did this year and you will have a class of which you can be proud.

To you, the Class of 1967, we show our appreciation for the many fond memories you gave us as Sophomores of 1965. You have helped make Newton a better school by your enthusiastic participation in the activities at Newton High.

The officers of the Sophomore class for this school year were: Keith Weaver, President; Barry Bashore, Vice President; Debbie Furnas, Secretary; Vicki Boehringer, Treasurer; Emily McKibben, Reporter, and Ruth O'Diam, Student Council Representative. Mr. Marcum was advisor for the class. The political parties for the year were the "Big Timers" and the "Progressives."

Good luck to you, Class of 1967, in the following year as you cope with the many problems of the Junior Class.

Throughout the year, the Junior Class has been by far the busiest class in the entire school. Besides being in charge of the concession stand at all of the home basketball games except the Homecoming, they held carwashes and work days throughout the year.

In the midst of all this hustle and labor, they somehow managed to find time to put on an excellent class play. The prom which they staged for the Senior Class was also superb.

The Juniors, it seems, have a very well-rounded class, and to you we would like to extend our most sincere hopes for a successful and satisfying future in your final year at Newton, and the many years to come.

We, the seniors of the class of 1965, hope that the record we leave behind us at Newton is not an unpleasant one.

As freshmen, there weren't too many goals which we could achieve that would leave a definite mark in our favor on this record. From our freshman year on up, we have shown our athletic ability at every turn.

With a 13-3 freshman basketball record to carry with us into reserve & varsity ball, it was soon discovered that the young sophomores had some talent. In all three years from 1962-1965, the class of '65 has been represented in the starting varsity '5.'

Our talent in the field of music was also outstanding, for in the year of 1964, under the direction of Mrs. Coy, every vocal music department at Newton was permitted to go to the state contest. In the existence of the school, this has never before happened.

The junior and senior class play put on by our class were generally accepted as very good. The junior play drew a larger crowd than any junior play before it. The senior play, "Rebel Without A Cause," was the first drama to be staged in eight years by a senior class.

As far as academic merits, the National Honor Society consisted of five members in the year 1965. Four members of this organization were seniors.

All through high school we have tried to behave as mannerly as possible with a slight air of sophistication.

Graduation . . . at Last!

The 1965 Graduating Class held their Baccalaureate May 30, 1965, in the gymnasium. The Baccalaureate sermon was delivered by The Reverend Cecil Bolton, First Brethren Church minister. The mixed choir inspired the parents and friends with "Onward Ye People."

Newton's most important stockholders are indeed the people who back the school 100%. The Parent-Teachers Association and the school board are leaders in the school.

We, the 1964-65 NEWTONIAN staff of Newton High School, have gone to all heights to make this the best yearbook in the history of the school. As the halls grow dim and the classrooms quiet, we hope this book will bring back the memories of this living school-year forever in your memory.

We would like to take this opportunity to express our thanks to the many people who have made this yearbook possible. It is fitting that we first express our appreciation to our advisor, Mrs. Mitchell, for her guidance and time. Her tireless efforts and encouragement were an indispensable factor in editing our yearbook.

We are also indebted to Mr. Ohlander of Osborne Studios, our photographer for the year. Many times he had to perform feats of heroism just to get the exact picture we wanted.

Our thanks also goes to the teachers who were lenient and thoughtful enough to excuse students to work on this yearbook.

As the 1964-65 school-year draws to a close, there are many things that each student holds as a dear remembrance of Newton. As you go your separate ways, not knowing if happiness or sorrow will cross your path, hold the thought of your days spent at Newton High as the happiest of your life. Turn to this rambling structure which houses the best of students and adults and remember YOU in the school-year of 1965.

Vicki,

I can't say I'm sorry for the way you've been treated by Mr. Ellis, but I'm glad you told me. I've known you for 15 yrs. & I've never seen you like this before. I guess it's not too late to start over again. Be good — Be yourself — Be happy —
